

Awards 2020

INDUSTRIAL CHEMISTRY CONGRESS 2020 Awards:

Radhey Srivastava *

Distinguished Professor of Chemistry, The University of Louisiana Lafayette, LA 70504, USA

We would like to invite all the professional from chemistry, scientific communities, chemists, professors, students, delegates, business professionals and executives from all over the globe to attend the **“19th International Conference on Industrial Chemistry and Water Treatment”** that is to be held during **September 23-24, 2020 Milan, Italy**. Which incorporates prompt oral talks, keynote presentations, poster displays and exhibitions.

The following awards will be presented at the Industrial Chemistry Congress 2020. Participants are invited to present an oral/poster presentation on his/her research and is expected to submit an article after which award for each category will nominated. This award acknowledges the outstanding research initiatives in the field of chemistry, aims to recognize effort of early career researchers and to bring continued advancements in Chemistry.

Industrial Chemistry Congress 2020 is pleased to provide the following awards:

Expert Level (Scientific Service Achievement Award)

This award is given to the expert's scientists, researchers who have made outstanding contributions to the advancement in Chemistry.

Professional Level (The Research Contribution Award)

The research experts having research knowledge of 10+ years in the field of the Chemistry with the most similar experience to their field.

Scholar Level (The Upcoming Researcher Award)

This conference offers the Scholar level Awards for the upcoming researcher and experts who have 10+ years of research experience in the related field of chemistry.

Women Scientist (The Women of Science Award)

Our conference is the unique platform especially for women scientists to explore the latest research projects in the field and related projects within the depth analysis.

Outstanding Speaker Award

This award is recognized for Individuals who will present their projects, and research papers. For the excellence to improve their growth in field of Chemistry.

Best keynote speaker Award

This award is presented to the Best Keynote Speaker in the conference who will present their excellence to improve their long-term career in the field of Chemistry.

Best Poster Presentation Award

Conference organizes student poster Competition, to encourage the young Students and research graduates and recent graduates to present their original research paper and where all the accepted abstracts will be presented during the conference.

Outstanding Masters/Ph.D./Post Doctorate thesis work presentation

This award is given to the recognized, Masters/Ph.D./Post Doctorate thesis for their work presentation. The projects and thesis that have implemented to improve the long-term excellence in the field of Chemistry.
